Introduction

The ITVET phone service Terms & Conditions apply to new and existing The ITVET phone service customers and are effective from 29th September 2009.

Although you may have read some information about The ITVET phone service alongside your application, or received certain information over the telephone, you should read these Service Terms & Conditions carefully, because they contain important information about your legal rights and obligations.

Any words written with the first letter in capitals, like Line Rental, Calls or Contract, have the meaning given to them in paragraph 17 at the end of this document. You can contact Customer Services by telephoning 0333 241 9242, by writing to ITVET Limited 93 London Road, Bishops Stortford, CM23 3DT or by emailing servicedesk@itvet.co.uk

1. What is The ITVET phone service ?

ITVET phone is a service which lets you subscribe for Line Rental and make Calls and get one bill from us for both.

2. When your Contract with us begins

2.1 By entering into this Contract with us you promise that you are at least 18 years old, are a UK resident, or a UK citizen acting with authority for a UK registered business, have a UK bank account and that you have the right and ability to enter into this Contract.

2.2 Moving your account to us means that any discounts you had with a previous provider will stop.

3. 'Cooling-off' period - your right to change your mind

If you change your mind after you have requested The ITVET phone service, you can tell us that you would like to cancel and you will not incur any costs or penalties. Please let us know you wish to cancel at any time before you Go Live with The ITVET phone service by calling, emailing, faxing or writing to Customer Services (please see our Contact Us details) Your "Go Live" Date will be the commencement date of this contract. Once you Go Live with ITVET to make or receive a Call, your cancellation right under paragraph 3 ends, but you can still end your Contract under paragraph 5.

4. Changes to your Contract

We can change this Contract (including our Charges) at any time. We will notify you of any changes by placing a notice on your bill. The changes will apply to your use of The ITVET phone service 14 days after we give you notice. If you do not agree with the changed Contract, you should cancel your Contract under paragraph 5. If you continue to use phone service after the date on which the change comes into effect, your use of The ITVET phone service indicates you agree to the changed Contract.

5. Your Contract

5.1 Your contract is for a period of 18 months, and may not be cancelled without incurring a penalty charge prior to the end of the initial contracted term. At the end of the primary contracted term, unless we receive a written cancellation from you giving at least 90 days' notice, your contract will automatically roll over for an additional 12 months' term, and will continue to do so on the anniversary of each 12 month period. However, if you are leaving us to go to another telephone company, we will consider that you have given notice as soon as we receive notice from your new provider. In other words, your 90 days' notice will commence once we receive notification from your new provider. We will confirm that we have received your request to end your Contract and that The ITVET phone service will no longer be available to you once your service has been switched to your new provider. Please note that once you have requested your service to be moved to another provider, ITVET will have no control over when your service will be moved to the new provider, and should your service move to the new provider prior to the end of the 90 days' notice, you will still be charged rental to the end of the 90 day notice period.

5.2 If you subscribe to Line Rental, your Contract will be for a Minimum Term of 18 months. If you end your Contract before the end of the Minimum Term, then you will incur a charge for ending it early.

5.3 We may end our Contract with you at any time by writing to you and giving you 90 days' notice. We may also end our Contract with you immediately if: (a) you do not pay a bill on time, (b) you break an important term of your Contract with us (for example, you do not comply with paragraph 9), (c) you break any other term of your Contract with us and do not put it right within 7 days of us asking you to, (d) you fail any credit or fraud prevention check or where we reasonably suspect fraud or money laundering by you or someone using your Account(s), (e) you give us information about yourself which we reasonably believe to be false or misleading, (f) you are the subject of bankruptcy or insolvency proceedings, or if you do not make a payment under a judgment of a Court on time, or you make an arrangement with your creditors or a receiver or administrator is appointed over any of your assets, or you go into liquidation, or (g) we are no longer able to provide The ITVET phone service to you despite making all reasonable efforts to do so.

5.4 If you end your Contract with us your use of The ITVET phone service will end within 14 days of us receiving your request with details of your new provider. Both of us must continue complying with this Contract (in particular, payment of Charges) until we stop providing The ITVET phone service to you. The end of this Contract, for whatever reason, shall not affect either of our rights or liabilities.

6 Use of personal information - including credit reference and fraud prevention agencies

6.1 If you change your name, address, telephone number or bank details you must let us know.

6.2 We will use your details, the information relating to the provision of The ITVET phone service, and other information about you available to us ("your information") to identify you and consider your application, provide you with The ITVET phone service, conduct research on your use of The ITVET phone service to help us make informed business decisions, and inform you of ITVET group offers and services (if you would prefer us not to inform you of offers and services, please let us know).

If you do not comply with any provision of this paragraph, you will compensate us for all liabilities, claims, damages, losses and costs (including legal costs) which we may suffer as a result.

The Direct debit guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme. The efficiency and security of the Scheme is monitored and protected by your own bank or building society. If the amounts to be paid or the payment dates change, we will notify you 6 working days in advance of your account being debited or as otherwise agreed. If an error is made by ITVET home phone or by your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid. You can cancel a Direct Debit at any time by writing to your bank or building society. Please also send a copy of your letter to us.

10.8 You must pay the Charges for any use of The ITVET phone service (whether you make the Calls or someone else does) as soon as the invoice/bill becomes due for payment. If you do not pay your invoice/bill within our usual payment terms we may suspend your service, we may also charge you an administration fee. If we cannot send you a bill, or you do not receive a bill, this does not mean that your use of The ITVET phone service is free. We will include all outstanding Charges on the next bill we send you. You can only pay your bill in pounds sterling (£). If you pay your bill in a foreign currency or your bank refuses to make payment, we may charge you for the bank and administration costs we incur.

10.10 If you do not maintain your direct debit payments, you must pay by another method. We may contact you for your credit card details if you fail to make payments by direct debit. If direct debit payments continue to fail on a regular basis, we may cancel your Contract.

11.4 The Security Pre-payment will be credited to your Account and will be used to cover the Charges you incur using The ITVET phone service. When this amount has been used we will ask for another Security Pre-Payment, or a bar will be set up on these Calls.

Because of this, there may be times when BT makes your telephone line unavailable. Unfortunately, this is beyond our control and there is nothing we can do to prevent this.

15.2 If at any time we do not require you to comply with any part of your Contract with us, this does not prevent us from asking you to at a later time.

15.3 If any part of your Contract with us is found to be invalid by any Court or other regulatory or competent body, the invalidity will not affect the rest of the Contract, which shall remain in force.

15.4 Any notices or communications that you send to us must be sent to ITVET, ITVET Corner 2-4 London Road Bishops Stortford CM23 5ND. Any notices or communications that we send to you must be sent to the address (or email address) you have asked us to send your bills to.
